

Journeyman College Sample Transcript

Student Name: [Student's Name]

Program: Electrician Training Program

Date of Birth: [DOB]

Program Start Date: [Start Date]

Program End Date: [End Date]

NABTEB Certification Number: [Certification Number]

National Technical Certificate (NTC): [NTC Number]

Advanced National Technical Certificate (ANTC): [ANTC Number]

Courses Completed

Course Title	Credits	Grade
Fundamentals of Electricity	3	A
Electrical Circuits and Wiring	4	B
Safety Standards and Procedures	2	A
Residential and Commercial Installations	4	B
Troubleshooting Techniques	3	A
Renewable Energy Systems	2	B

Total Credits: 18

Cumulative GPA: 3.5/4.0

Skills Acquired

- Proficient in electrical circuit design and installation
- Knowledge of safety regulations and standards
- Expertise in troubleshooting and problem-solving
- Experience with renewable energy technologies
